Menú

Inspired by Miró

The restaurant at the Fundació Joan Miró takes you on a gastronomic journey through the Mediterranean diet, thanks to a seasonal menu that sets great store by local produce, fresh fruit and vegetables and traditional cuisine. We offer several dishes with close ties to Mallorca and Camp de Tarragona, two artistic and emotional landscapes very dear to Joan Miró's heart, including *xató* salad, *sobrassada* cured sausage and virgin olive oil.

Enjoy your meal!
